

Covid-19 Safety Measures

- The parent waiting room and the shop will remain closed for the time being. If you need any assistance with uniform please contact Rachel directly – rachel@fab-dancing.co.uk
- When you arrive at the studio for class you will need to queue outside the front door, please ensure that you always respect social distancing guidelines.
- Unfortunately, no parents will be allowed inside the studio.
- Your child's teacher will be at the door waiting to greet you, they will take your child's temperature, help them to sanitise their hands and then escort them into the studio.
- No bags will be allowed inside the studio, your child should only have a water bottle and their dance shoes with them (inhalers/medication are obviously any exception to this however this will need to be discussed with their teacher when you drop off).
- There will be crosses marked around the edge of the studio floor where your child will be asked to pop their belongings.
- 1 metre squares will be marked out in the studio for your child to dance in.
- As we will be operating a one-way system your child will exit from the studio side door, please make sure you are there to collect them promptly at the end of their class.
- You will notice that there is a 5-minute gap in between each class, this is to allow us to sanitise between classes. Saturday is an exception to this as we will have 2 members of staff on hand, the rest of the week it will just be 1 teacher at the studio.
- If your child has back to back classes, we will obviously keep them in the studio for the 5-minute break time in-between.
- If you or your child have any Covid 19 symptoms please do not attend class - <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>
